# Get to know D-EWI Project

Welcome to the compilation of **D-EWI project's e-newsletters** – a journey that spans **two impactful years** of dedication, collaboration, and achievement.

As we get on this narrative through the pages of D-EWI e-newsletters, **we invite you to revisit** the decisive moments, milestones, and evolution that define the essence of D-EWI.

# First e-newsletter Highlights

In the **first edition**, our journey began with the seeds of inspiration taking root. The first e-newsletter summarizes the vision and the project objectives that set the project in motion.

Explore the **beginning of our efforts** and **witness** the first achievements of D-EWI.

Newsletter #1

## Digital Training for European Welding Inspectors

To enhance training capabilities of **VET teachers** and **trainers** and develop digital educational materials to support the **teaching** and **learning** in the field of welding inspections.

Newsletter #1, January 2023

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Second e-newsletter Highlights

The **second e-newsletter** is a support for teachers and VET trainers on the implementation and use of e-learning digital tools.

It also documents the **project's progress**, showcasing the **achievements and activities** made by the D-EWI partnership, namely the Learning, Teaching and Training Activity hosted by the **University of Miskolc**, in Hungary.

# Third e-newsletter Highlights

The **third e-newsletter** is the kickoff for the digital training materials for the European Welding Inspectors.

The **innovative training materials** were announced, and they are now available in the project website, so that they can be explored.

**Newsletter #3**

## Digital Training for European Welding Inspectors

To enhance training capabilities of **VET teachers** and **trainers** and develop digital educational materials to support the **teaching** and **learning** in the field of welding inspections.

**Newsletter #3, June 2023**

Co-funded by the  
Erasmus+ Programme  
of the European Union

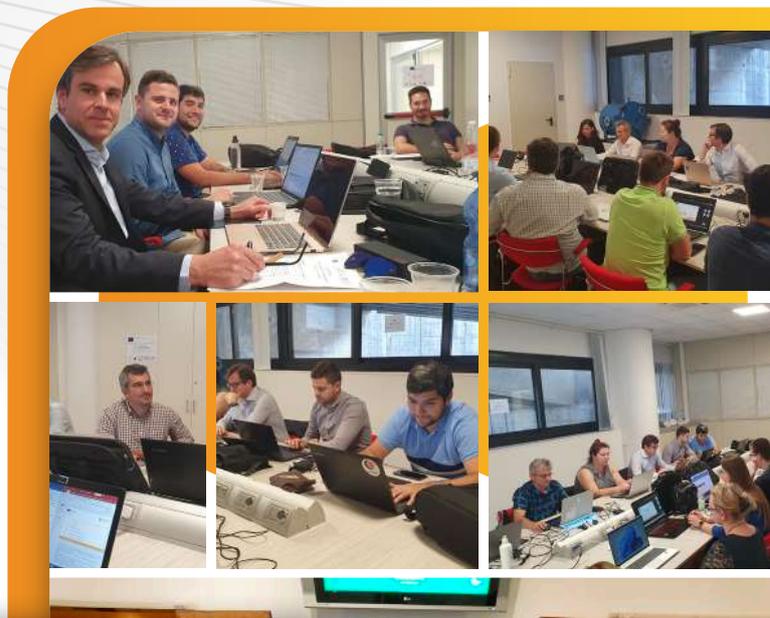

# Fourth e-newsletter Highlights

As we **reach the end** of the D-EWI project, the **fourth and final e-newsletter** marks the efforts done in the Learning, Teaching and Training Activity hosted by the Istituto Italiano della Saldatura in Italy.

It also shares the **multiplier events conducted by partners around Europe**.

## Newsletter #4

## Digital Training for European Welding Inspectors

To enhance training capabilities of **VET teachers** and **trainers** and develop digital educational materials to support the **teaching** and **learning** in the field of welding inspections.

Newsletter #4, December 2023

Co-funded by the  
Erasmus+ Programme  
of the European Union
